CENTREPORT CANADA

Your Gateway to the World

CentrePort Canada is one of North America's largest trimodal inland ports and Foreign Trade Zones, offering 20,000 acres of high-quality, affordable industrial land.

Strategically located at the hub of international trading corridors, CentrePort Canada connects businesses to major markets around the globe.

ACCESS TO NORTH AMERICAN MARKETS

TRIMODAL ACCESS TO GLOBAL TRADE ROUTES

Located in Winnipeg and Rosser, Manitoba, in the heart of North America, CentrePort Canada is perfectly situated for companies engaged in global supply chain activities.

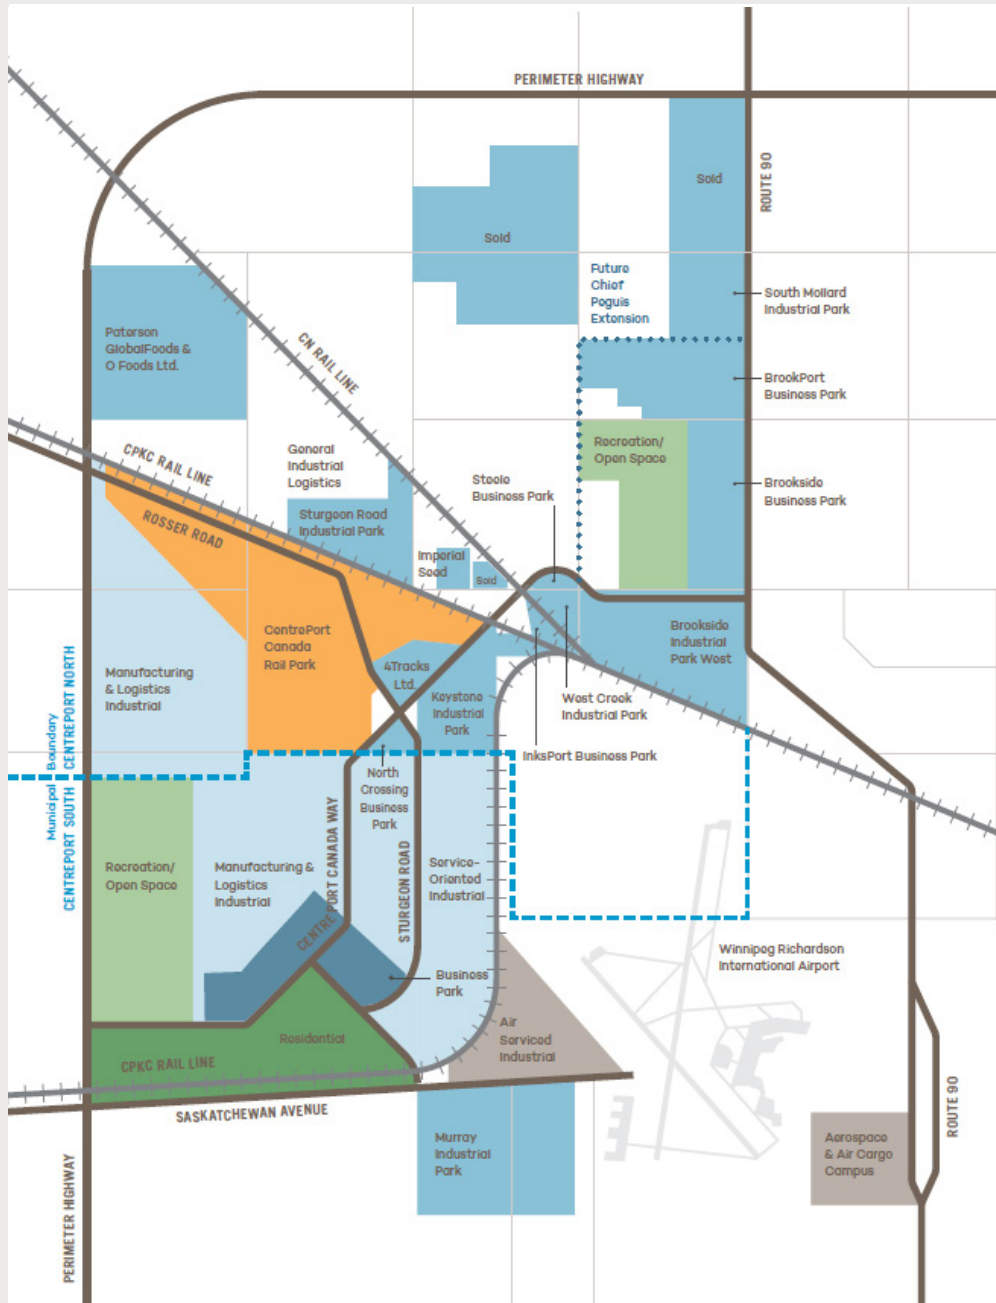

Winnipeg is the only city on the Canadian prairies with access to three Class 1 railways: CPKC, CN and BNSF. The CentrePort Canada Rail Park will offer direct access to CPKC and through federal inter-switching rules access to all three.

The Winnipeg Richardson International Airport offers 24/7/365 operations, and a later cut off for overnight deliveries to most major cities. Carriers on site include Canadian North, FedEx, UPS, DHL, Air Canada Cargo, Westjet Cargo and Cargojet.

CentrePort Canada is an international trucking hub with some of Canada's largest carriers located onsite. Built to RTAC standards, CentrePort Canada Way bisects the inland port and enables companies to achieve the "five minutes to 55 mph/88kmh" goal for moving cargo.

FAST TRACKED LAND DEVELOPMENT APPROVALS

Companies building projects in CentrePort North have unique access to a dedicated planning resource, the Inland Port Special Planning Area, to help expedite the planning and land development approval process. This enables companies to move through subdivision and rezoning applications concurrently. Companies can expect approval of subdivision and rezoning within approximately three months and approval of building permits within two weeks.

PLANNED AS A COMPLETE COMMUNITY

- Affordable skilled labour
- Renewable, reliable, low cost energy with high voltage power available
- A planned 500-acre residential community
- Proximity to the Canada-US border (one hour drive)
- Single-window access to Canada's Foreign Trade Zone programs
